IMPORTANCE OF ENGLISH COMMUNICATION FOR ENGINEERING STUDENTS

- ❖ English Communication competence plays an important role in the academic life and career of the professionals.
- ❖ As it is a global language it is widely used in official communications.

SOCIO ECONOMIC BACKGROUND OF FAMILY

Classroom contains students from different strata of the society who possess different grasping power and English Communication competence. It is found that the English Communication competence of the students whose parents are literate belongs to higher middle class is better than that of the students whose parents are illiterate and belong to Lower middle class.

LACK OF SKILLFUL TEACHERS

The other important factor is the education system and lack of skill full teachers. Most of the teachers at all the learning levels are untrained they are unaware of the current trends and advanced techniques of English Language teaching.

EDUCATION SYSTEM

The other important factor is the traditional education system which affects English language learning and acquisition. Basically It requires four skills i.e. LSRW

- ❖ Listening,
- ❖ Speaking,
- ❖ Reading
- ❖ Writing

LACK OF EXPOSURE TO THE ENGLISH COMMUNICATION

The rural area student lacks the exposure to the English communication in the family. Society as well as in the colleges. As we are aware, practice makes perfect and therefore, English will need to be part of our life in order to be more fluent in the language. Due to lack of communication skills, soft skills, interpersonal skills and personality development.

REMEDIES

Knowing the importance and growing demand of English communication competence for engineering students from rural areas, there a need for the teachers as well the students to make integrated efforts.
